

# Adult Hockey League Info

Updated 8/18/2008

## Hockey Seasons:

We currently begin seasons concurrent with the UC Davis quarter system as follows:

Winter season – First or second week of January

Spring Season – End of March/Beginning of April

Summer Season – End of June

Fall Season – End of September/Beginning of October

## League Levels:

Silver - Highest level at DISC

Upper Bronze - Intermediate

Lower Bronze – Beginner/Intermediate

Lower Copper – Beginner Level

Upper Copper – Beginner + level

Our adult leagues will include players that are ages 16 and above, since our local youth leagues are only for players 16 and under. Players under the age of 18 must wear a face mask, and get approval from DISC management to play in the adult leagues.

## New Players & Teams

Players and teams that would like to join our leagues, please contact Ian at 530-757-1111 or [ian@discsports.us](mailto:ian@discsports.us). If there are openings on teams for the current season, new players may have the chance to play on a team immediately; otherwise new players will be put on a free agent list for the following season. Placement will be on a first come first serve basis. Before each season, there will be a free pickup for new players and current season captains. Please email for pickup day and time. New teams will be on a wait list for the following season. Current teams will have priority.

## Memberships

All players must have a DISC membership.

\$20 for the season –or–

\$50 for the year (4 seasons in a year)

## General Information for Divisions:
